

# THE PORPHYRY 2007

SPECIAL  
COLLECTION  
DO NOT  
REMOVE FROM  
THIS ROOM

Porphyry is a rock with a fine-grained igneous base  
containing many distinct crystals.

While each individual at Tech is unique, we all  
share the common basis of memories and our time  
spent at NMT.

“The Porphyry” has been the name of New Mexico  
Tech’s yearbook from its first publication in 1925.

FEB 12 2009

# ACKNOWLEDGEMENTS

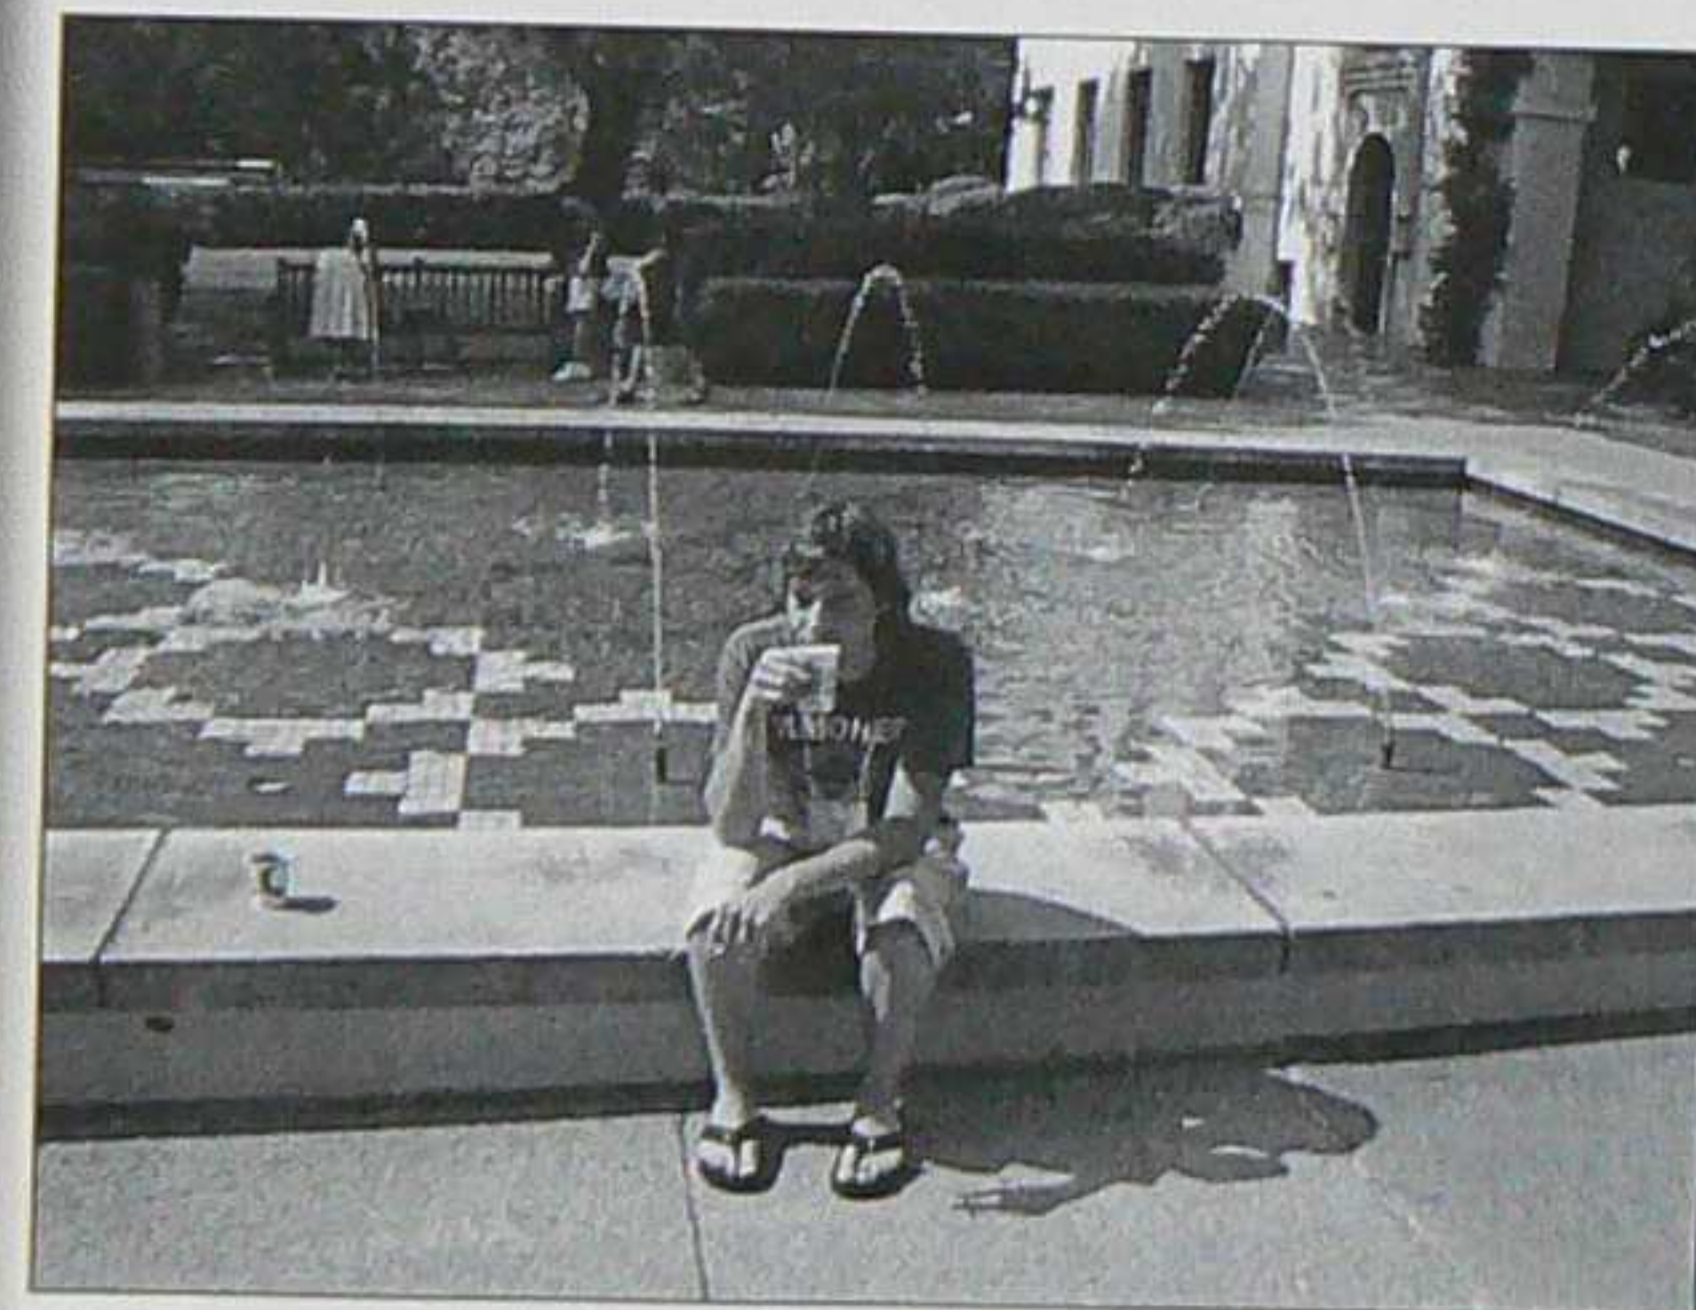

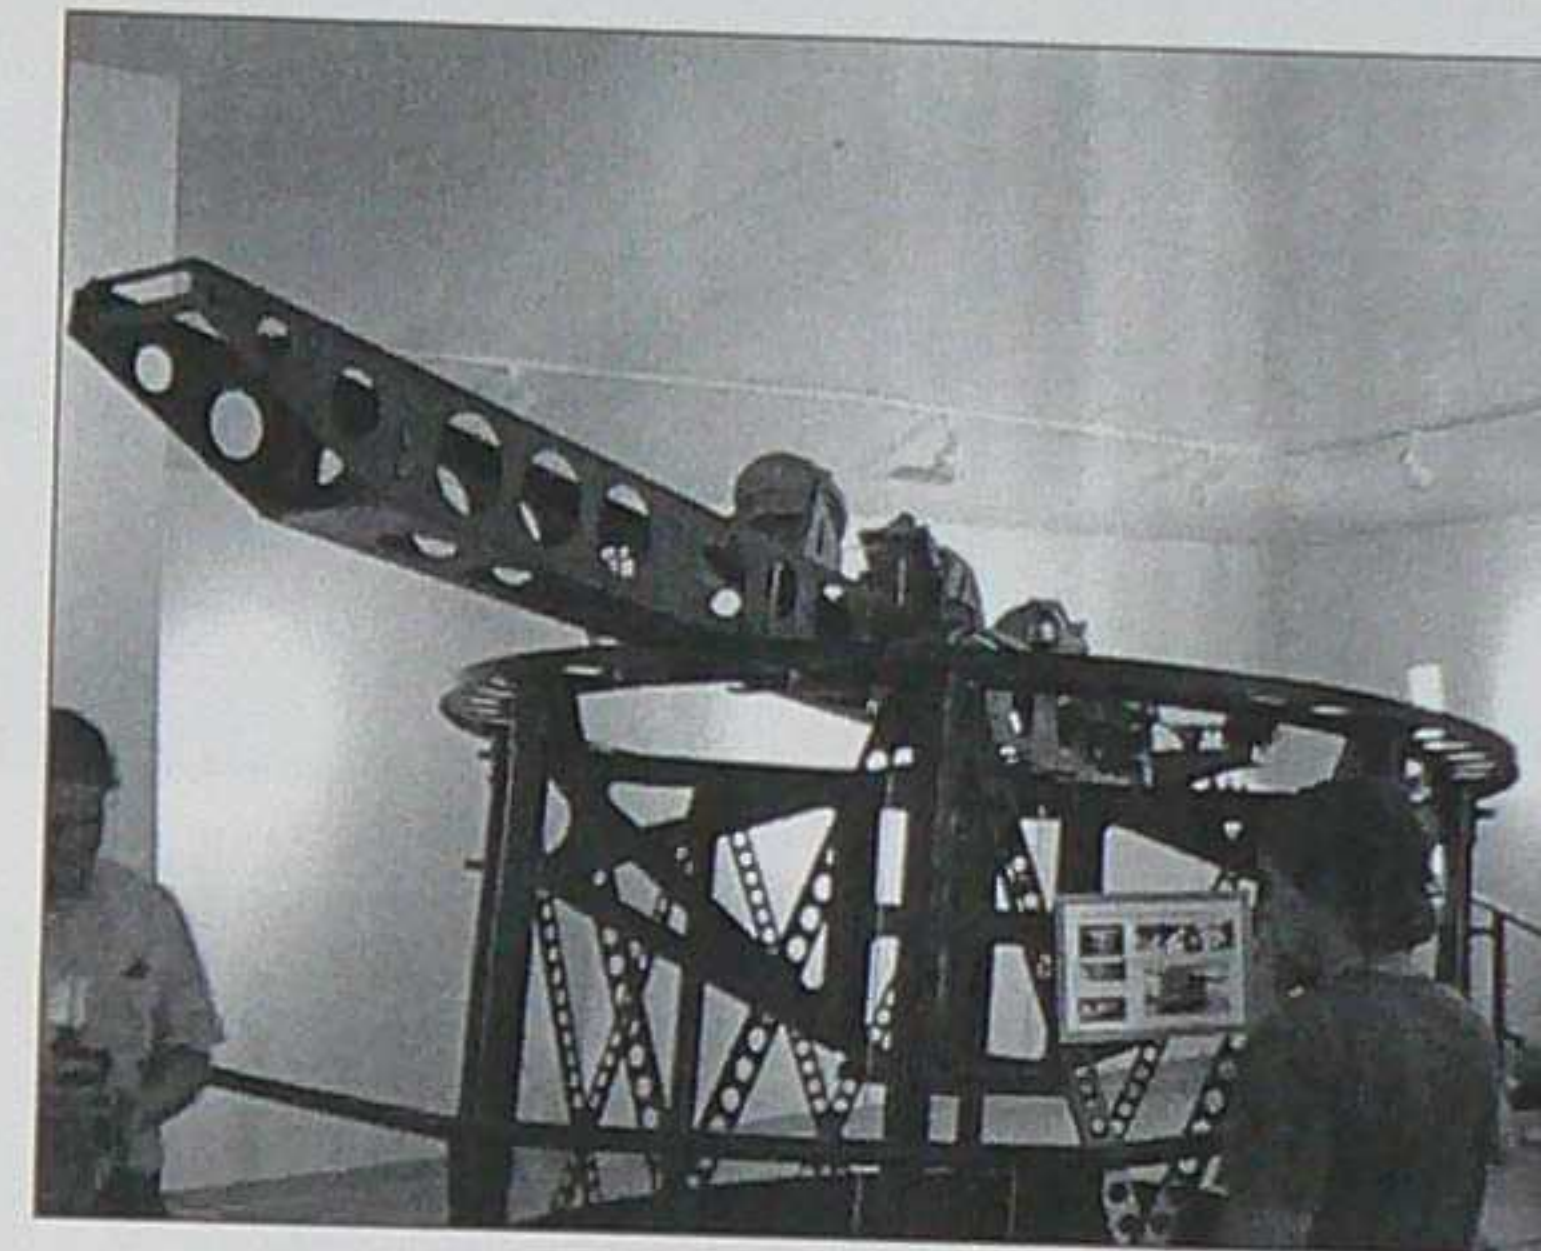

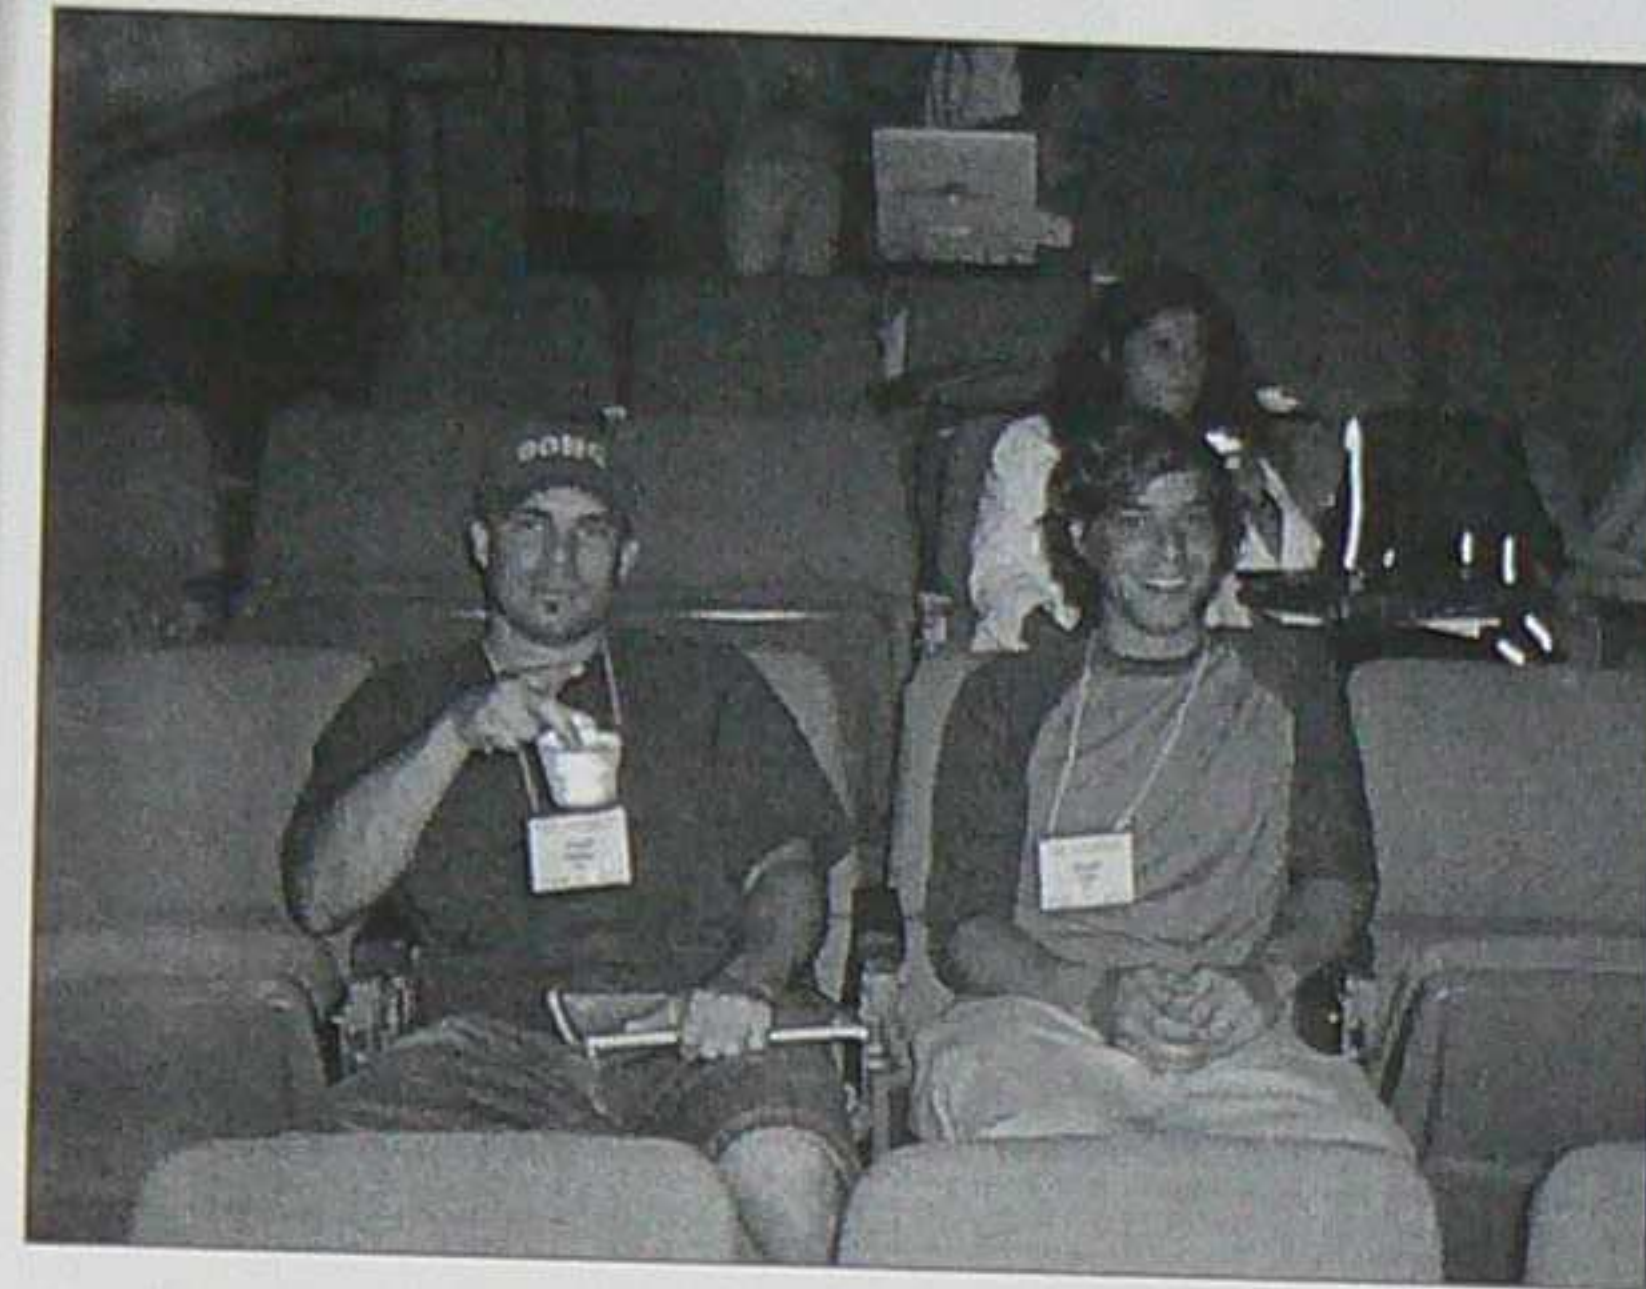

The NMT Yearbook Staff would like to recognize and thank the following people, without whom this yearbook would not have happened:

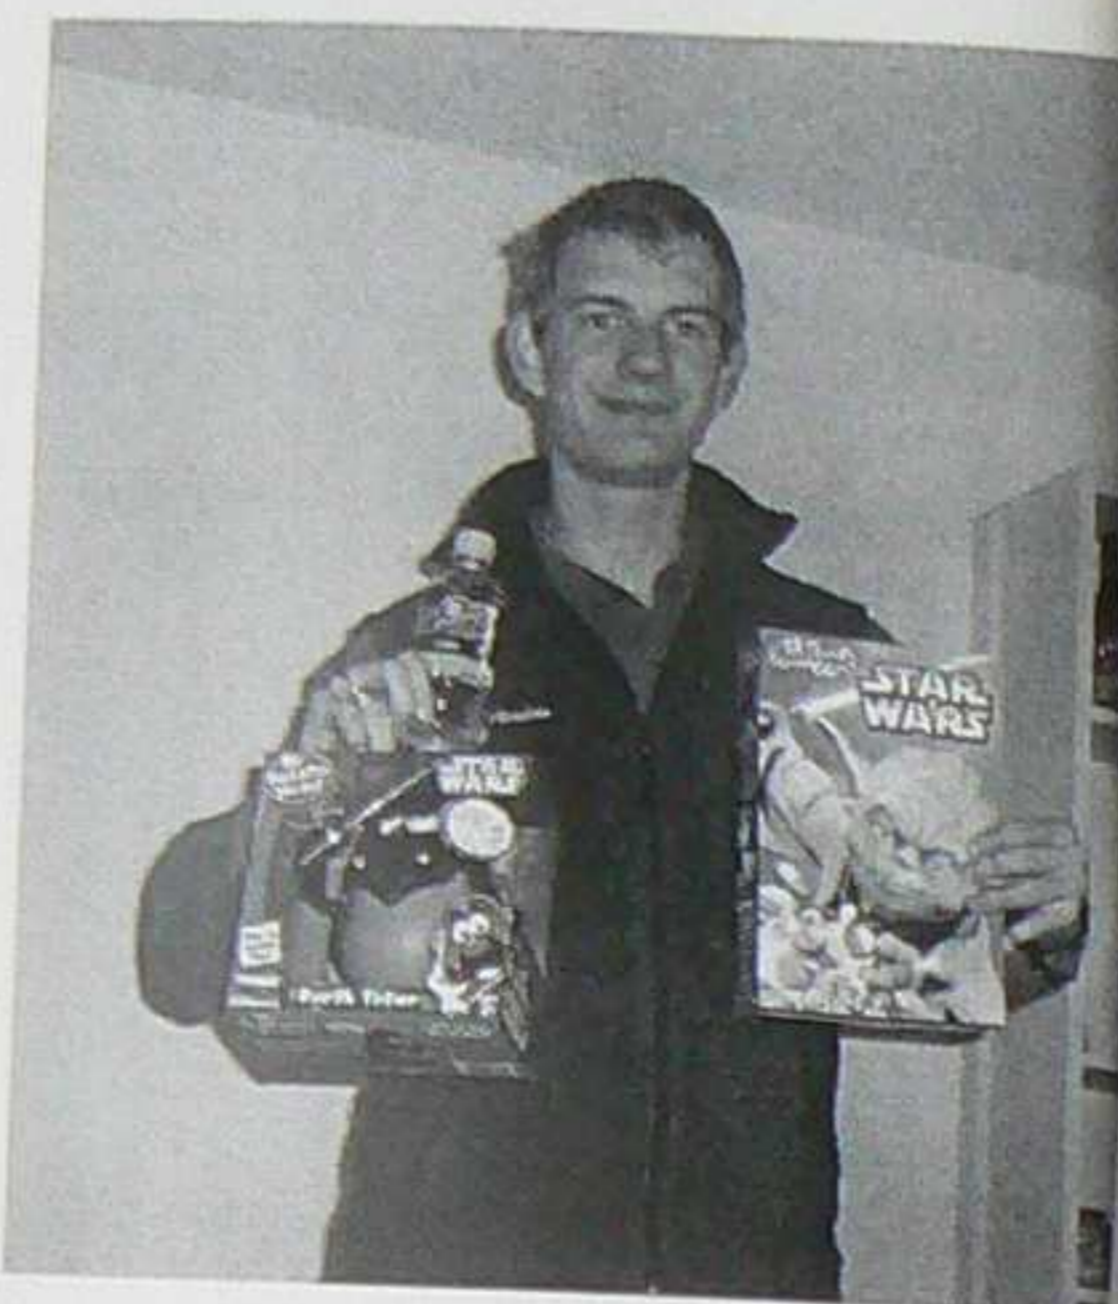

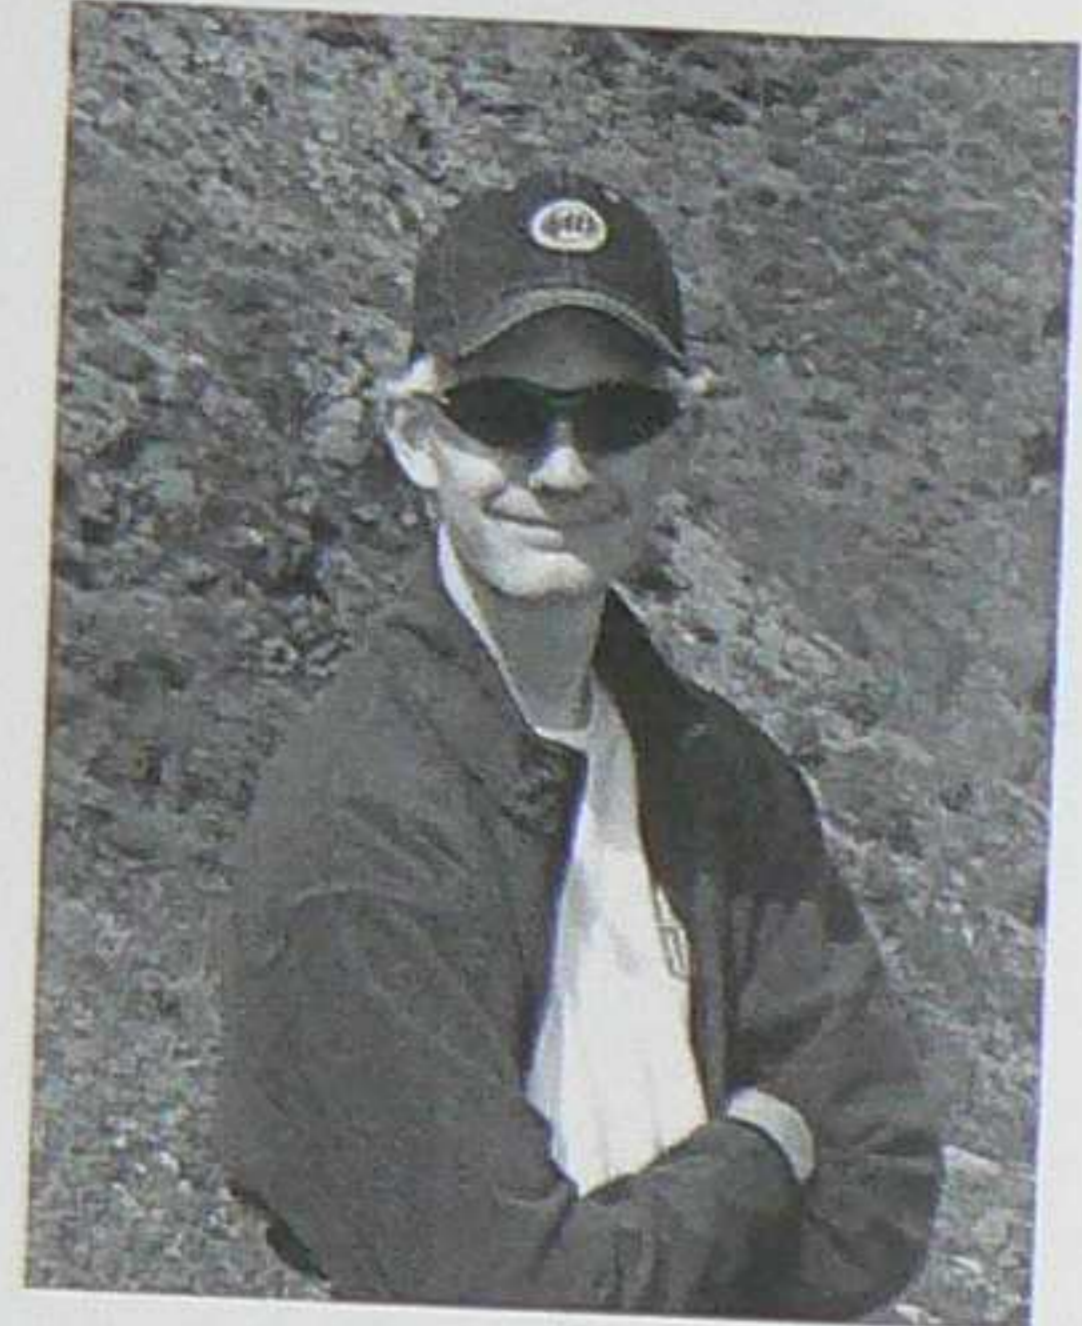

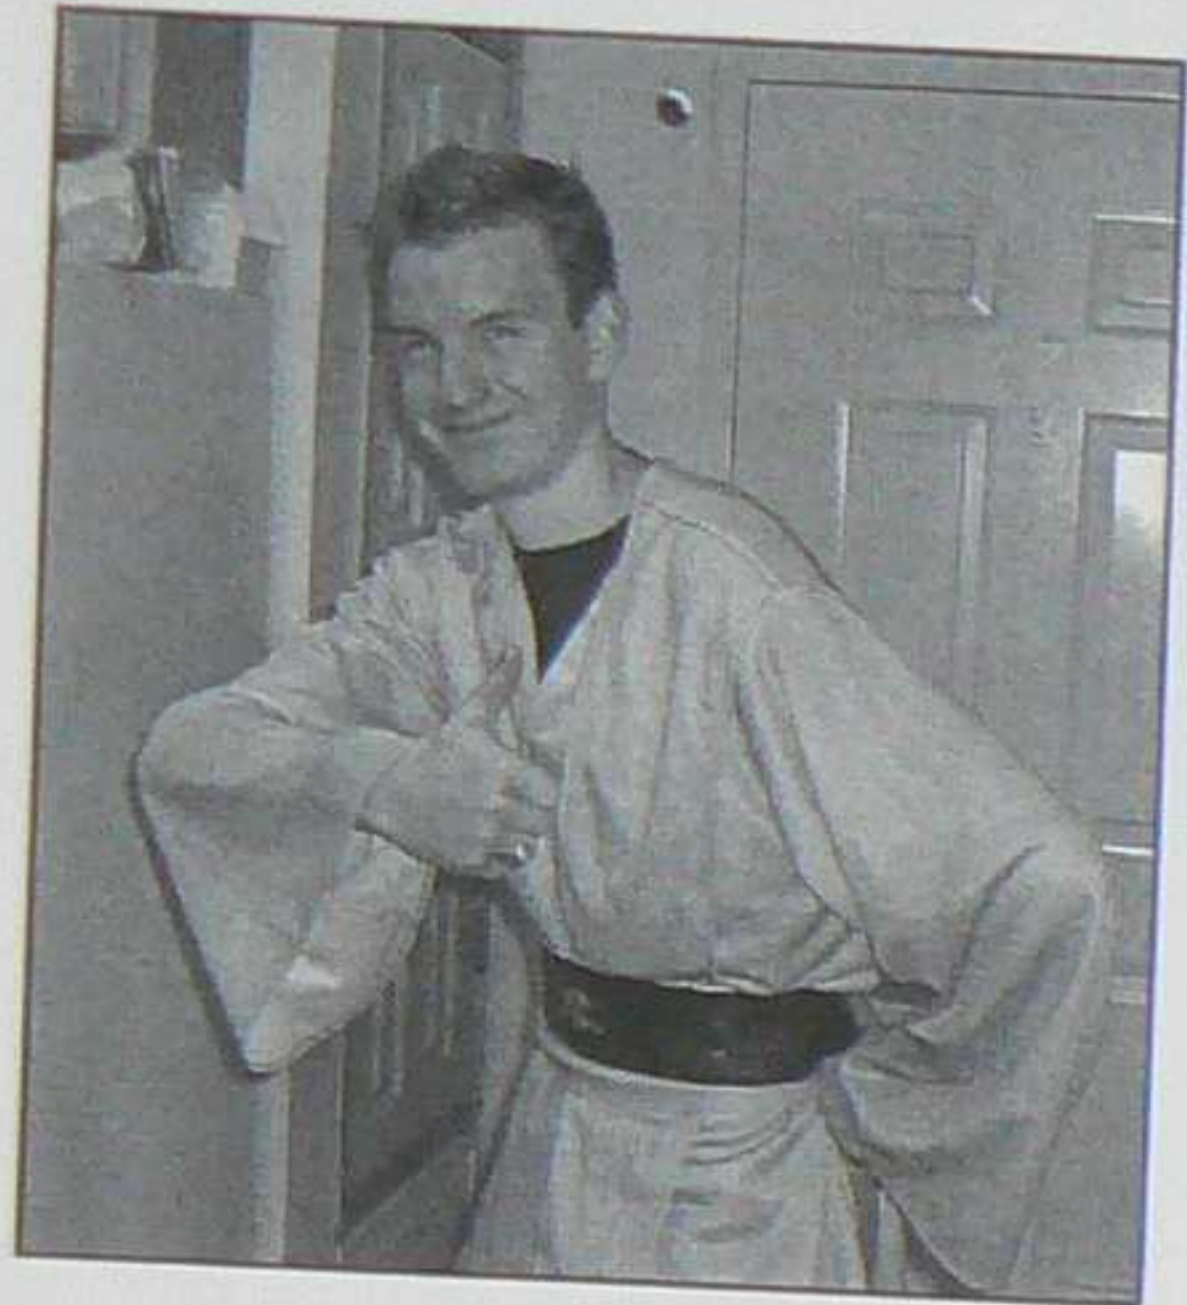

Edie Steinhoff  
Lucinda Whitehorse  
Cheryl Pulaski  
Lillian Armijo  
NMT Student Association
