**Welcome to New Mexico Tech Community Education!**  
**We offer a variety of credit and community classes, including 16-week courses, mini-courses, and workshops. Our focus areas include Physical Recreation, Fine Arts, Health and Wellness, and Certification Programs. Our mission is to enrich lives through lifelong learning, helping students balance curricular expectations with leisure activities while promoting the integration of creative arts and healthy practices into their lifestyles.**

- **Fine Arts (CEFA)**

**Tuition for CEFA courses is set at the rate of one credit hour, which aligns with the standard tuition rate for other courses at NMT.**

- **Physical Recreation (CEPR)**

**Tuition for CEPR courses is also set at the rate of one credit hour, consistent with NMT's standard tuition structure.**

- **Community Member (CONC)**

**Tuition for CONC courses is based on the specific course offering fees. These fees are reduced compared to the cost of a one credit hour course, providing a more affordable option for community members.**

# **FINE ARTS (CEFA)**
