Letter of Addendum

TO: All Offerors

FROM: Kimela Miller, CPO

DATE: 6/7/2024

RE: RFP Number: RFP# 2405025I, Amendment No. 2
Commodity: Architectural and Construction Consultant

Please note:

This amendment is issued to provide a list of questions which have been received by NM Tech along with our response.

Q1) Will the selected Architect or Construction Consultant be used to provide actual A/E services for upcoming projects, or is this more of a consulting role only?

A1) This is for a consultant only. That individual / firm should be familiar with both Architectural and Construction processes.

Q2) Are roof design or roof assessment services going to be awarded to firms under this RFP, or is that a separate RFP that will be issued at a later date?

A2) At this time, we have not identified the exact work we need performed. Funding and necessity will drive the future projects, and roofs may be included. There is no plan for a separate RFP.

All other terms and conditions of the RFP remain unchanged. All Offerors are required to confirm the receipt of this amendment in their RFP response. The proposal due date is July 2, 2024 at 2:00 p.m. local time.
