Date Presented To Senate: 3/12/19

Whereas, the Supreme Court of the SGANMIMT has previously requested financial compensation for their work within the SGA, and,

Resolve that, the Supreme Court of the SGANMIMT shall be paid the following:

- The Associate Justices shall be financially compensated with a stipend that does exceed \$200 per fall and spring semesters and \$100 per summer semester, not exceeding \$500 per full term. These stipends shall be earned based on a points system, at the discretion of the Chief Justice.

- The salary of the Chief Justice shall be, at a minimum, \$1,700 per fall and spring semesters, or \$3,400 per year. This shall be based on a \$10 pay rate for a 10 hour work week, for 17 weeks per semester.
